

# International Propeller Club of the U.S. Port of Port Canaveral

## 2009/2010 SPONSORSHIP APPLICATION

The Propeller Club of Port Canaveral invites you to join our Club as a Sponsor. You are recognized as a maritime-related professional or business that supports and promotes the maritime industry in Port Canaveral and as such would be a valuable member to our organization and, in turn, we will make every effort to keep you informed of maritime issues as well as connect you with Port Canaveral, business, and community leaders.

**Sponsorship dues are \$300 which will cover Sponsor Membership through December 31, 2010.**

You are also invited to consider an additional contribution to our club's Scholarship Fund. The Propeller Club of Port Canaveral not only plans to continue annual support of a deserving Brevard County student pursuing a maritime career but to initiate a Maritime Education Program to make pre-high school students aware of the many opportunities open to them in the maritime industry. Your designated contribution to this important effort to ensure skilled workers and professionals for the future of the United States maritime industry will be very much appreciated.

Please return this notice with your check, payable to the Propeller Club of Port Canaveral.
